

**Be part of Global Eyes TV! Grab a camera and shoot!
In your house, in your city, in your country, in your world!**

We are looking for films in the categories activism, perspectives, culture, roots, local heroes und speak out!

Activism means: To be active! If you are actively engaged in the community or in politics, if you think green, if you are a lone fighter for the environment, if you are a member of a youth organisation or NGO, send us a film about your commitment!

Perspectives means: To have a forward-looking perspective! If you are engaged in an interesting school project, if you have a trend-setting job, if you work on a brilliant invention, send us a film concerning your vision!

Culture means: To create art and music! If you are a singer, musician, dancer, artist, send us your performance with a statement on film!

Roots means: To live for traditions, belief, family and friends! If you are committed to family traditions or have learned something from your grandparents, if you preserve a cultural heritage or if you belong to a religious community, send us a film about your roots!

Local Heroes means: To be individual. Show us your hangout, your everyday life, your city. Send us a film about your life!

Speak Out means: What is your message to world? What is your dream? What bothers you or makes you angry? What do you believe? What is your favourite food? What is your favourite music? Please sing a song for us!
Send us your short answer!
